Kia ora, Malo e lelei, Talofa lava, Kia Orana, Namaste, Ni Hao, Al-salamu Alaykum,

Welcome back—haere mai ano— to another great term of learning at Hampton Hill School. I hope everyone has had a really good break (in spite of the weather!) and that our children are rested and ready to get the most out of the teaching and learning in their class and in the school environment.

We have another busy and exciting term for all our students. It's also an interesting and exciting term for our Year 6 students with the Tawa Intermediate Open Evening in early August and the Year 6 camp in week 9 (18–22 September).

The school production will be held in week 6 (30, 31 August).

Pōwhiri— Warm welcome to new families, teachers and friends to our school community

A **pōwhiri** is a Māori welcoming ceremony involving speeches, dancing, singing and finally the **hongi**, or pressing of noses. It is used to welcome guests onto a **marae**, or during other ceremonies, and is often used for special visitors or as part of special events.

There will be a personal invitation sent home to all new families and friends who have joined our school community to attend a **pōwhiri** welcome at our school. The **pōwhiri** will be held on Monday in week three of every term.

This is a fantastic opportunity to introduce new families and their children to the rest of our school community. It is about creating a culture of "this is what we do at Hampton Hill School", and it is about connecting and building new relationships with people. It is also an opportunity for our kapa haka kids to shine and for all of our children to participate in a special event that supports and acknowledges Maori culture and the unique bicultural nature of Aotearoa-New Zealand.

We welcome all of our school community to attend a pōwhiri on Monday 7 August at 10.30am. We will take this opportunity to welcome new families, board members and staff to our wonderful school. The **pōwhiri** will run for approximately 60 minutes, and will include a performance by our kapa haka group.

Classroom Learning Programmes - At Hampton Hill School we have an "open door policy". If you have any questions about your child's learning and progress or the classroom programmes, please feel free to make an appointment with the classroom teacher, pop in and have a conversation or send them a text or an email. Our belief is that teachers, parents and caregivers have an important role to play together in growing our children and we appreciate any valuable feedback or communication that might support the children at Hampton Hill School to thrive.

For your information: Teachers have regular meetings held on **Mondays 3.15pm-4.30pm** and **Tuesdays 3.30-4.45 pm**. Teachers will have to leave their classrooms to meet up in the staffroom by 3.05pm on Mondays and 3.15 pm on Tuesdays.

On behalf of all the staff—**Nga mihi nui**

Preparing for an Emergency

Please ensure you have at least one **LOCAL person** to pick up your child in an emergency. Another parent; a neighbour; a friend.

When we practice our reunification drill (or in the event of the real deal)—the person must be on our list of emergency contacts for your child to be released.

Bo will be checking soon to ensure you all have enough **LOCAL people**—if not then we will need those details asap.

Our **Reunification Drill** is this term and we will let you know the date later.

What does this mean? It means we are having a practice to ensure children are picked up quickly and that we have all our procedures in order.

SPORTS WIKI

You can find game times, results and other information on our school sports website <http://hamptonhillsports.wikispaces.com/> or contact your team manager.

Fundraising Team

This team is also known as Tangata Events. The school is so thankful to Barbara Scott-Hill and Sarah Opie who have worked tirelessly with fundraising over many years. They have stepped down from this role now.

It is time for a 're-birth' and we are looking for someone to help lead the team of willing helpers, and to gather up new people. Sarah is happy to support with advice and knowledge.

We run these three main events each year: **Bikeathon** — **Disco** — **Calendar Art**.

This is not a big job—but needs someone who can motivate and initiate the events to occur (not someone who will run the events as there are plenty of helpers!).

You will be well supported by the office staff and Principal.

Please see Jan in the office or Neil as Principal if you would like to know more about this.

Linden School's Fit Track Grand Opening

We would love to invite you to the grand opening of our new Fit Track which is being installed at Linden School over the next few weeks. This Fit Track is for the whole of Tawa's awesome community, young and old, to use and enjoy.

What we have planned is a fun community event on Saturday 19 August 12 - 3pm (with a postponement date of 20th August). Located at the school there will be stalls, fairground rides, food and much more. Everyone will be invited, local schools, kindys, church groups, basically the WHOLE community.

As this is a community event we would like to not only invite you as a school to come and join in the fun but to also have the opportunity to fundraise for your own school. We are offering each school a table for \$25 to raise money for your own projects you may have going on. You are welcome to sell anything you like, though we do invite you to share your ideas so that we have a variety of stalls .

Room 5' s Newton family
