Kia ora, Malo e lelei, Talofa lava, Kia Orana, Namaste, Ni Hao, Al-salamu Alaykum,

Reunification Drill:

Today all children are bringing home an information form about our Reunification Drill, being held Wednesday 6 September. This information form is also included in today's school newsletter. Please read this form and complete and return the section detailing the people allowed to collect your child or children in the event of an emergency. This information must be returned to the school by Friday 1 September. Thank you very much for your cooperation.

Absences and Lateness:

Thank you to all families and whanau for the way you contact the school when your child is ill or going to be late. There is a lot of illness at present and we appreciate your timely communications. We still have a large number of children regularly arriving late to school. These children miss out on important beginning of the day learning and can also disrupt programmes that have already begun. It is important that all children arrive at school before 9am. Getting into this routine will set them up for a successful education.

Staff News:

We have a number of staff changes this term. Jenny Pearl is on leave for term 3 and we have Victoria Burton teaching in her place. We also have Dom Barnao working part-time in classrooms. Lydia Middlemiss starts as a teacher aide through to the end of the year and later this term Lee-Ann Newton will also be working as a teacher aide whilst Rachel de Meij is on leave. We welcome all new staff and know they will make a positive contribution to our school.

Applications and Appointments:

As mentioned in the last newsletter, our Office Manager, Jan, is leaving at the end of term. We have advertised the position and will be interviewing short-listed candidates this weekend. We are currently advertising for a Deputy Principal (permanent position) and this appointment will be made before the end of this term.

Production:

There's a real buzz around the school as classes work on their production pieces. This week we are having whole school rehearsals and we're really looking forward to putting on an amazing show! We are now fully booked on both nights.

Enrolment Zone information meeting:

If you want to know more about our school's enrolment zone please come to the information evening, Thursday 24 August, 7pm in the school staff room.

On behalf of all the staff—Nga mihi nui

Neil Worboys

Acting Principal

Kia ora koutou Hampton Hill School Community!

As you all know we have a great set of RIMU values (*Resilience, Integrity, Manaakitanga and Unity*) that we live by here at Hampton Hill School. These RIMU values are very important to us all and we have introduced a new programme to recognise these values 'outside of the classroom'. You may have seen a **GOTCHA** ticket come home because your child has been showing RIMU values. Celebrate this ticket with your child and ask them what it's all about. We have a special assembly every fortnight on a Friday morning where we recognise 10 students by giving them an exciting prize. We are calling for any donations to go into our prize box for these awards. If you have any prize donations or any thoughts about this please contact me or drop into Room 9.

Thank you for your continued support,
Amy Hardymont on behalf of the RIMU team.

Fundraising

We Need You!

This team is also known as Tangata Events. The school is so thankful to Barbara Scott-Hill and Sarah Opie who have worked tirelessly with fundraising over many years. They have stepped down from this role now.

It is time for a 're-birth' and we are looking for someone to help lead the team of willing helpers, and to gather up new people. Sarah is happy to support with advice and knowledge.

We run these three main events each year: **Bikeathon** — **Disco** — **Calendar Art**.

This is not a big job—but needs someone who can motivate and initiate the events to occur (not someone who will run the events as there are plenty of helpers!). You will be well supported by the office staff and Principal.

Please see Jan in the office or Neil as Principal if you would like to know more about this.

Pizza P Pizza P Pizza P Pezzi

Our school is taking part in the Hell Reading Challenge. All children will be issued with a reading wheel and each book they read from the school library will be marked off on their reading wheel. When they have read 7 books, you can take the completed reading wheel to any Hell Pizza to get a free 333 pizza!

SPORTS WIKI

You can find game times, results and other information on our school sports website <http://hamptonhillsports.wikispaces.com/> or contact your team manager.
