Kia ora, Malo e lelei, Talofa lava, Kia Orana, Namaste, Ni Hao, Al-salamu Alaykum,

We are now in week 7 of term 3 and lots of good things are happening here at school. As well as the great learning going on in classes, the Production last week was a great success and the reunification drill (2pm Wednesday 6 September) has been interesting exercise to see how our emergency processes work.

Sad News in our School Community: We heard the sad news last week that the father of one of our students had passed away after an illness. Our thoughts and aroha go out to Edward Pickworth, to his mother Jemma, and to all the family.

Orange Parade: Congratulations to all our dedicated road patrollers who give up their time to ensure the safety of our children travelling to and from school. Last Friday they travelled to Wellington for a parade and celebration of the work they do.

Reunification Drill: This was held today (2pm - 6 September). Thank you to all parents for up-dating your emergency contacts list. I will share feedback on how well the drill went in our next newsletter.

New Appointment: As most of you will know, Jan, our office manager is resigning at the end of this term. Sue Kelly has been appointed as our new office manager. Sue is an experienced office manager. She will be spending some time with Jan so the change over is as smooth as possible.

School Production: A big thanks to parents, family and whanau for your wonderful support of *'Aotearoa - A Blast into the Past'*. We had two brilliant performances last week. Congratulations to our children for enthusiastic and talented performances and a *special thanks to teachers and support staff for their hard work and creative input.*

Learning Conferences: Some of our junior school students had learning progress reports come home on Monday 4 September. Those children and their parents/caregivers are able to meet with **their teachers next Wednesday 13 September. If you haven't yet booked, please use the form that came home or contact the school office to arrange a time.** When parents and their children work closely with teachers we can ensure the best possible education for our children.

Enrolment Scheme: Following the School Community Information Evening, held on 24 August, the Board of Trustees is now moving to formally adopt an enrolment scheme for our school. The zone is expected to come into effect from term 1, 2018. Please contact the school if you have any queries or concerns.

September 23 General Election: For your information—there will **not** be a polling booth at Hampton Hill School for the September 23 General Election.

On behalf of all the staff—Nga mihi nui

Parent helpers required to do some easy jobs before the night. If you're new to the school or haven't been involved before, come and meet some other parents and help make it a great night!

If you can help please email Katie Garvie - fundraising@hamptonhill.school.nz or phone 0277 404 040.

Katie is our new Fundraising Co-ordinator for the school—thanks for putting your hand up!

Pizza
Pizza
Pezzi

Our school is taking part in the Hell Reading Challenge. All children will be issued with a reading wheel and each book they read from the school library will be marked off on their reading wheel. When they have read 7 books, you can take the completed reading wheel to any Hell Pizza to get a free 333 pizza!

SPORTS WIKI
