Alaykum,

What a fantastic start to the term! Beautiful weather, happy children
and buzzing classrooms! There has been a really great feel at the school
this week with families, students and teachers reconnecting and sharing
holiday adventures. Everyone looks well rested and ready to learn!

THANK YOU! First of all, I would like to officially acknowledge and thank
Neil Worboys for his unwavering support of our school community. Neil
did such a fantastic job in supporting all staff, families and, of course,
our gorgeous children. Nga mihi nui ki a koe Rangatira!

A huge thank you also to the Board of Trustees and staff for being an
amazing team, keeping the school ticking over and continuing to grow
awesome young learners. Neil was absolutely blown away by the way
the Hampton Hill School team stepped up and he felt completely sup-
ported by all.

Staff News: I would like to extend a warm welcome to Sue Kelly, our new
office manager, who has joined our fantastic team. As you can imagine,
there is a huge amount of learning for Sue over the course of the term,
so I would also like to thank Jan for supporting Sue through this transi-
tion process and know that you will all make her feel welcome.

Congratulations to Abbey Corich who is now officially our new Deputy
Principal! I am very excited to be working alongside Abbey to grow effec-
tive leadership at our school.

We are very lucky to have Catherine Commins join our team, starting
teaching in Room 1 and Room 1 Extension from Monday to Thursday
during literacy time. With the new entrants' roll growth set to increase in
term four, we wanted to provide extra support to give the children great-
er opportunities to be working in small groups and have more targeted
learning time. A warm welcome to you Catherine!
Sadly John Starkey will be resigning from his caretaker role at Hampton
Hill School this term having been diagnosed with a serious medical ill-
ness. He will undergo surgery this week and we wish him well and a
speedy recovery.

Gentle Reminders - Absences and Lateness: Thank you to all families
and whanau for contacting the school when your children are ill or going
to be late. There is a lot of illness at present and we appreciate your
timely communications. The beginning of the day's learning is very im-
portant and latecomers can disrupt programmes that have already be-
gun. It is important that all children arrive at school before 9am. Getting
into this routine will set them up for a successful education.

I am extremely excited to be back on board and look forward to catching
up with everyone.

Nga mihi nui
Kelly Barker
Principal
