

Hampton Hill School

GROW PEOPLE TO THRIVE

Priority list and frequently asked questions

Enrolment information for 2018 Students living out of the zone who wish to attend Hampton Hill School must apply to enrol when there is a ballot. The ballot information and procedures will be advertised prior to the deadline for applications of 27th November.

The enrolment scheme means that children from families who live inside the zone have the right to be enrolled at Hampton Hill School. All other enrolments will be subject to enrolment scheme legislation. An enrolment scheme must establish the following order of priority for the selection of students who would live outside the Hampton Hill School zone.

- **1st Priority:** Students accepted for enrolment in a special programme run by the school and approved by the Secretary of Education. We have no such programmes so this priority would not apply to Hampton Hill School.
- **2nd Priority:** Brothers and sisters of current students.
- **3rd Priority:** Brothers and sisters of former students.
- **4th Priority:** Children of former students.
- **5th Priority:** Children of Board employees or children of Board members.
- **6th Priority:** All other students.

If there are more applicants in priority groups than there are places available, selection within the priority group must be made by ballot. Applications for 2018 are welcome for Year 0/1 students, these close at 9am 27th November 2017. A ballot will be held on 11th December 2017 if necessary. This is the first enrolment period for 2018.

The next enrolment period is from 28th May 2018 to 18th June 2018. An enrolment form can be collected from the school office or downloaded from the website. When returning the enrolment form please ensure all necessary paperwork is attached to the application.

Frequently asked questions:

- My child turns 5 in 2017/8, we are in zone, do I complete an enrolment form? It would help the school if you were to, as this allows us to work out how many out of zone places we have available.
- I have a child at Hampton Hill School, we live out of zone, my younger child turns 5 in 2017/8, do I have to complete an enrolment form for the ballot? YES
- We are out of zone and my children are older than 5, can we enrol? We will probably not have places available in 2017 for students other than Year 0/1.
- How do I find out what 'the zone' is? The home zone is on the website or ask at the office.
- If there is a ballot when will I know if we are 'in'? You will be notified within three school days of the ballot.
- If we are unsuccessful, is there a waiting list? Yes, any children not selected are added to our waiting list and if space becomes available you will be informed.
