Kia ora, Malo e lelei, Talofa lava, Kia Orana, Namaste, Ni Hao, Alsalamu Alaykum,

**The Importance of Relationships:** As we all know, relationships are absolutely paramount and the end of Term 2 has provided the perfect conditions, such as wind, rain, cold and confinement in the classroom to challenge relationships that would otherwise be absolutely fine. We have had a couple children who have been finding life at school a bit tricky at the moment and require extra support with learning (social and cognitive).

Because of this, some of our amazing parents have offered to be an extra pair of hands to support learning programmes in Kakapo on Tuesday, Wednesday and Thursdays from 9-11am for term three, which is really exciting. We will also investigate opportunities with Kelly Club who may be able to provide guided activities to ensure break times are opportunities to have fun and learn. If you are available and keen to run an activity of some sort in term three please feel free to send me an email.

It is also a good time to remind children of our RIMU values at Hampton Hill School and what they can do in situations that are challenging. We have very resilient children here at Hampton Hill School and they are unbelievably patient, kind and forgiving with children who they know are learning how to be learners. I also love the fact that we have amazing parents and teachers who understand the idea that... **"If a child can't read, we teach them, when they can't write, we teach them and when they misbehave, we teach them!"**

As a school community we often talk about inclusive education and what this means for all children. This is about every child's right to learn in a safe and secure environment. Relationships are the key so we can grow people to thrive at Hampton Hill School and I would like to thank our community for their open and honest communication which is much appreciated. Positive relationships provide opportunities for us to work together to grow confident and capable learners who demonstrate our RIMU values for lifelong learning.

**CURRICULUM DEVELOPMENT - Exciting opportunity to engage!** We need your input into the development of a localised school curriculum. What does this mean you ask? It is about having a clear picture of "How we learn at Hampton Hill School". We want everyone to be able to talk about the purpose of learning -why, how we learn and what we do when we are learning at our school. We need to know what your thoughts are about what learning for the future might look like, sound like and feel like? If you are keen to participate, keep an eye out on Facebook and in newsletters for times and dates, as there will be multiple opportunities to bring your ideas to the table. This process will also be explored with students and teachers over the course of next term.

The goal is to have an established school based curriculum framework shared with the community midway through term four in preparation for us to apply from 2019 onwards. Exciting times ahead! I have also provided a copy of our School Charter's Strategic Aims which fall under the acronym G.R.O.W that might inspire ideas for the curriculum. Looking forward to working with our amazing community!

**Take two! - On Sick Leave weeks 1-2 of term three**

I will be away recovering after having surgery for the first two weeks of Term 3. Abbey Corich will be acting up into the Principal role during my recovery time.

Finally, it has been a very busy and fun filled term of learning and I am sure there are lots of exhausted big people and little people who are ready for a well-deserved holiday break. Have a safe and relaxing break everyone and we'll see you all in Term 3.

Nga mihi nui,  
Kelly Barker  
Tumuaki (Principal)
