Hampton Hill School Confirmed Enrolment Scheme

The Hampton Hill School Board of Trustees is now governed by an enrolment scheme as directed by the Ministry of Education under Section 11H (1) of the Education Act 1989.

All students who live within the zone described, and as shown on the map shall be entitled to enrol at the school. Details of the enrolment zone, the written description and the map can be found on our website www.hamptonhill.school.nz.

The Hampton Hill School Board has determined that **a limited number of places** for new entrants only are likely to be available for out of zone students for Terms 1 and 2 2019. The exact number of places will depend on the number of applications received from students who live within the school's home zone.

The Board invites parents from out of zone who wish to enrol their children at Hampton Hill School to do so by **Friday 26 October 2018**.

Parents of students who live within the home zone and intend enrolling their child at any time during Terms 1 and 2 should notify the school by **Friday 26 October 2018** to assist the school with planning appropriately for these terms.

Pre-enrolment applications can be submitted by completing an enrolment form at the Hampton Hill School office or by emailing a completed enrolment form to office@hamptonhill.school.nz

If the number of out of zone applications exceeds the number of places available, students will be selected in a priority order by ballot. If a ballot for out of zone places is required, it will be held on **Tuesday 30 October 2018**. Parents will be informed of the outcome of the ballot within three school days of the ballot being held. This is the second enrolment period for 2018.
