GROW PEOPLE TO THRIVE

#### 'Whakatupua te Matauranga kia hua'

Ka mau te wehi! What a fantastic way to celebrate Maori Language week with the opportunity to share the Maori translation of our school's vision, 'Grow People to Thrive!' and our strategic aims G.R.O.W for our tamariki. This action that was proposed by our Maori Reference group and the translation was done by Ruku Wihongi, my dad! If you are keen to participate in this group, please don't hesitate to email Sophie Robbers who is leading the Community Engagement portfolio on the board of trustees.

#### GROW—Confident, Connected and Curious learners—Whakatupua

**Whakatupua (verb)** (-a,-ngia,-ria) to rear, grow, raise, cultivate, produce.

The concept of whakatupua is to plant or grow. Although this seems very simplistic, our tupuna talk about the importance of cultivating and nurturing the seeds once they are planted, in order for them to grow and thrive.

#### REAL WORLD LEARNING—Taonga Tuku iho

**Tuku iho = (noun)** heirloom, something handed down, cultural property, heritage.

The concept of tuku iho in this instance stems from the beginning of life and growth from Io Kore, Nga whetu, Te Ao, Ranginui me Papatuanuku which created life on earth (the creation). Within these realms and the transitions from one to another, skills and knowledge were handed down, refined and developed further. This will continue to be so throughout life.

#### ORAL LANGUAGE—Te Reo Tūturu

**Tūturu = (noun)** commitment, dedication, devotion

Oral language (or a signed language) is the medium through which people develop thinking, build comprehension, and communicate ideas. Te Reo Tūturu is our commitment to support our learners to do this.

Oratory is a form of eloquent and fluent communication that reflects stories of old and ways to explain who we are, how the world is and could be. Although oral language is valuable for most cultures, for Maori oratory is at the heart of our identity as a people. It is the way we acknowledge our past, present and future with the world.

Te Reo Māori is the indigenous language of Aotearoa, New Zealand. It is one of three official languages of the nation. The language itself is central to Māori culture, identity and forms part of the heritage of our country. Te Reo Maori is integral to learning at Hampton Hill School to ensure that all students have a sense connection and belonging to the land.

#### WHANAU MATTERS—Whanaungatanga

**Whanaungatanga = (noun)** relationship, reciprocal relationship, kinship, sense of family connection, working together which provides people with a sense of belonging.

At the heart of our school are "People". Our belief is to work in partnership with whanau to ensure that children in our care are growing and thriving. Whanau play a critical role in this reciprocal process and we absolutely believe that it truly takes a village to raise a child!

Nga mihi nui,  
Kelly Barker  
Tumuaki (Principal)

## “Whakatupua te Matauranga kia hua”

The word *whakatupua* means to plant or to grow. We need to nurture the seed to ensure growth.  
*Maturanga* is the word for learning which incorporates knowledge and skills required for lifelong learning.  
*Kia hua* means to fruit and when we are talking about this in our vision we are talking about thriving.

# Fundraising

**Calendar Art**—Order forms for your child's calendar have gone home and your child's art is calendars on display in the office. Orders are due in on Wednesday September 12 and payments with them. If you wish to pay online then please pay into the **fundraising account 12-3223-0133904-01**—Please make sure you put your child's name and the reference calendar art so that we can identify your payment, or you can pay by cash at the office.

These make great Christmas gifts for family and grandparents. Calendars, cards and diaries will be available to order. The cards are great value—\$10 for a packet of 8 cards with envelopes—that's only **\$1.25 per card** and are excellent for birthday cards or thank you cards!

## Daffodil Day—31 August

This year we held a dress in yellow (or orange or green) day to help support the Cancer Society with

the many things they do to support people with cancer. We raised over \$163 — thank you all for your support for our school community and for the Cancer Society.

Did you know that you can bring in your PAK'nSAVE receipts to the office for our fundraising? Through the **PAK'nSAVE Receipts for Schools** fundraising scheme. This means for all the money spent by our school and wider whanau at PAK'nSAVE, we receive a percentage back. We would really appreciate your support by you sending your PAK'nSAVE receipts along to school. This is an easy way for the school to make money towards our fundraising projects. So put the word out to your whanau and friends; the more we get the better. Thank you for your support!

## Yummy Fruit Sticker Collection

Last chance to bring in your Yummy Fruit stickers is 19 September. Thank you to everyone who has been bringing these in—we have loads, so should hopefully get some good sports gear out of it! If you need another collection sheet, come and grab one from the office.
