TERM 3 OVER AND OUT!

What a way to end term 3 with the rocking performance of our Year 5 and 6 tamariki at the Tawa Goes to Town production last night. AMAZING! What a great way to connect and work collaboratively with all of the Tawa Kahui Ako-Community of learning schools. This is also the perfect way to connect with our wider community and to celebrate the multiple talents of our own Hampton Hill School children.

Huge thanks to whanau!

I cannot believe it is the end of term 3 term already. Oh how time flies when you are having fun! There are a lot of people we need to thank in this newsletter, starting with all of our gorgeous parents and whanau who support; *learning programmes, sports programmes, school trips, fundraising, children who might be finding life a bit tricky, other parents who might be new to the school and showing them manaakitanga!* Over and above all this, whanau will often ask if there is anything further they can do to support the school! Our people are just amazing and I feel extremely lucky to be a part of this wonderful place!

Huge thanks to all staff and BOT!

Our school is —Growing and thriving! Our roll is now just over 230 students and we are likely to end the year with just over 240 awesome people! I believe this is due to the passion, drive and diligence of our amazing staff, Board of Trustees and community who place people at the heart of all decision making. We are a community that sets high expectations in learning and behaviour so we see growth in progress and achievement across the curriculum. Ka mau te wehi!

Curriculum Development Reference Group

As you all know we are in the thick of working with different groups to help us to develop and refine a school based curriculum. I have shared small snippets of our thinking so far in the last few newsletters just to keep you all informed as to where we are at.

We would like to invite ALL parents who are keen to participate to come along to one of our reference group wananga the first week back after the term 3 holidays. These will be held at drop off and pick up times as well as one evening over the week. This ensures all people have the opportunity to share their thinking or ask questions.

Monday 15	Tuesday 16	Wednesday 17	Thursday 18
9-9.30am Staffroom	9-10 Staffroom	3-4pm Staffroom	2-3pm Staffroom

Have a safe and well deserved holiday break!

What: Introduction to the Organ, featuring Peter and the Wolf

Where: Wellington Cathedral of St Paul

When: 2-2.45pm, Saturday 13 October

Cost: Free

My name is Michael Stewart and I am the Director of Music at Wellington Cathedral of St Paul, opposite Parliament on the corner of Hill and Molesworth Streets.

Next month the Cathedral will be taking ownership of a brand-new custom-built digital organ, following the damage to our pipe organ in the November 2016 earthquake. We are very excited about this new instrument, and will be launching a music festival to celebrate, including a family-friendly 'Introduction to the Organ' at 2pm on Saturday 13 October. Included in this concert will be a performance of 'Peter and the Wolf' arranged and performed by Cathedral organist Richard Apperley.

We would love to have the Cathedral full with primary school children and their families to welcome the new organ, and to maybe experience organ music for the very first time!

For further details, please see our Facebook event (<https://www.facebook.com/events/830273203832682/>) or contact me on dom@wellingtoncathedral.org.nz or 021 477257
