Sad News

John Starkey our previous caretaker, sadly passed away last week from an ongoing battle with illnesses. He was surrounded by family and close friends.

For those people who didn't know John, he was known for his cheeky sense of humour and at times, his ability to be completely politically incorrect, always caused deep discussion, thinking and having to set him straight. He made us laugh and cry, he was caring and always made time to listen to people. **John's work ethic was to be commended as he always did his utmost to ensure the school functioned well, was presentable and that he was a part of the life of the school.** He was a hard-working and valued member of our team and he will be greatly missed by all who knew him.

Support visits and designing programmes for learning

At Hampton Hill School we are constantly modelling to our children that we are always learning and being innovative in the way we design learning programmes that engage and enable students to grow and thrive.

There are opportunities twice a term for teachers to observe and share best practice so that we are always looking at what is working, what is not and making sure that our learning programmes reflect the passions and interests of the students in our classes. During this time, teachers set short term goals around an identified need within their classrooms and work towards achieving this. We then have fortnightly coaching sessions where we are constantly evaluating the impact of our teaching practice on student learning. This is another opportunity for us to share with our children and the community that we are always striving to grow and thrive as teachers and life-long learners.

Hampton Hill School Curriculum Redesign

Research by Charles Fadel has been a huge part of the redesign and thinking that sits behind our new curriculum. One part of our new curriculum development, includes four elements necessary through life. Character - Skills - Knowledge - Values (in our case, the RIMU values), and all of this leads us to meta learning or the ability to learn how to learn. If this has sparked your curiosity and you want to want to know more, check out the youtube link below or pop in to see me.

I will be sharing sections of our new curriculum design over the next two terms. <https://www.youtube.com/watch?v=B3YwIMGBNr4>

Learning Conferences

A quick note to thank parents for taking the time to meet with teachers to talk about learning progress for their beautiful little people! We appreciate your questions, suggestions and any insights that might help us continue to grow our tamariki to thrive at school. I would also like to thank teachers for committing time to our whanau and community as well as caring for and teaching our tamariki.

From the Office

Absences—You can let us know if your child will be away from school by calling the office on 232 6509 and leaving a message or by using the absence app, or you can email absent@hamptonhill.school.nz

Illness—Did you know that students who have vomited or had diarrhoea should stay home for 48 hours after the last episode. We appreciate you keeping sick children home to stop spreading viruses. Thank you!

Parking—Please be mindful of yellow lines and driveways when you drop your children off at school. Our road patrollers volunteer to keep your children safe when crossing the road so please show them respect and follow the road rules.

Lost Property—Our baskets are overflowing. If you can't find your child's jacket, sweatshirt, shoes, pants....come and have a look in the baskets. Named clothing will be reunited with its owner so please make sure you label all of your children's clothes.

Thank you!

A huge thank you to everyone for supporting KidsCan last Friday. We were delighted with the effort the children went to with their crazy hair and clothes. Together we raised over \$200 for this worthy cause.

We hope your children had a fun time getting dressed up.

Tawa Zone Swimming

Last Wednesday was Tawa Zone Swimming Meet. A group of our keen swimmers went along and represented our school. We are really proud of them all – a super effort! Well done to Ashton and Pretorius for achieving 3rd places in their events and a special congrats to Rebeka and Alexander for 2nd places. These two now are going on to represent Tawa at Interzone in a couple of weeks. We wish them well!

Many thanks to all the parent supporters as well. Absolutely fantastic!

Assembly Awards 23 August

Kiwi and Hoiho: Welcome to Hampton Hill School **Prisha, Jasmine and Georgia. Alexis** for coming up with creative ideas for your writing. **Samantha** for giving it a go during production practice. **Zoe** for being a writing wizard! Amazing writing and stories Zoe. Well done.

Tui: **Mila** for using powerful words in her story writing. **William** for making green light choices in our class. **Harper** for practising manaakitanga by showing kindness.

Kea: **Mienke** for all the super writing you are doing! **Solomon** for having such an enthusiastic attitude towards your learning. **Sutharshini** for always being willing to take on extra tasks and help others.

Ruru: **Levi** for completing his work this week to such a high standard - keep it up! **Jiya** for her determination during STEAM challenges

Kereru: **Libby** for showing AWESOME reading skills - Well done next level, **Lijah** love the way you are adding details for your audience, and **Bella** for sharing her thinking with fractions.

Takahē: What great thinking in maths, **William!** You have shared your strategies and are starting to learn about decimals. **Zadok** for building your self-efficacy and confidence in your learning. You're a star! Great resilience! **Brodie**, for being a great helper in Takahē. Thanks for showing unity.

Entry by donation

The Circus Hub, 11 Hutchison Road, Newtown
Doors open at 7pm

Te Māhuri

Did you know that our new Reo Maori teacher, Mairangimoana, also teaches at an after-school group called Te **Māhuri**? All are welcome to join. At Te **Māhuri** families participate in the group with their tamariki in fun sessions where we play games and activities together, and use and learn te reo Māori together. Te **Māhuri** provides an environment where the whole whānau can learn te reo Māori together. **Linden Social Centre** 10 Linden Ave, Tawa, Wellington **Day:** Wednesdays during school term only **Time:** 3.30-4.30pm (followed by brief tidy up)

Newlands Community Centre 9 Batchelor St, Newlands, Wellington **Day:** Tuesdays during school term only **Time:** 3.30-4.30pm (followed by brief tidy up)

Come along and try it out!

Te Māhuri aims to provide a free service but a termly donation that is affordable to your whānau is appreciated whether it be monetary, or the provision of kai, or assistance with the behind the scenes running of the sessions.

If your bus route could be better, we'd like to hear from you.

We'd like to hear what ideas you have for improvements to the Metlink routes and services important to you. Local drop-in workshops will give you a chance to talk directly to us. If you can't make it in person you can take part in an online survey from 23 August. You can also find out more or subscribe for updates. Go to metlink.org.nz/busreview
