RIMU Values:

At school we encourage everybody in our learning community to demonstrate our **RIMU values**. These values are **Resilience, Integrity, Manaakitanga** and **Unity**. This year we will be spending time focussing on a different **RIMU value** every fortnight. Over the next 2 weeks at Hampton Hill we are having a focus on **resilience** and celebrating when we see students, staff and members of our community show **resilience**.

Resilience is not giving up when things get tricky and demonstrating perseverance. Resilient people may experience setbacks in life but they come back as strong or stronger than they were to start with. Resilient people find a way to rise above rather than become angry and let failure or difficulties define them. Resilience is about having the skills to be able to calm down and self-regulate to face challenges.

Psychologists describe resilience as something that we can learn. We are very fortunate to have a group of parents who are passionate about building resilience in our children. These parents have worked with **tamariki in the past through the 'Resilience Programme' and the 'Tree of Life' with our seniors. There are many articles and books about resilience and how we can foster resilience in our tamariki. Here is an example of one article online <https://www.psychology.com/build-resilience-children>.**

Please let us know if you see or hear of anyone showing resilience. We would love to celebrate all the different ways resilience can be shown.

Learning Conferences:

Learning conferences are this Wednesday and Thursday. Teachers are looking forward to meeting with you and your child to share their learning goals for the new school year. This is also a great time to share with teachers about your child so we can work together so children can have a **successful year. Please contact the office or your child's teaching if you are still wanting to book in a learning conference. It isn't too late.**

School Grounds – vandalism:

We are so lucky to have so many green and open spaces on our school grounds. We are also lucky to have many people in our community who keep watch over our school in the weekends and holidays. Unfortunately, we have had some minor vandalism on our grounds lately. It would be great if people using the school in the weekend could keep an eye out **for anything that doesn't seem right. If you ever see anything you are concerned about during out of school hours please let us know and contact the police if necessary.**

Communication:

Did you know you can reply to text messages you receive from Hampton Hill School? All you need to do is reply just like you would to a message sent from a cell phone. Your reply will automatically be emailed to the person who wrote the text message. Teachers do not have work phones and this is why we often send messages through our school management system.

From the Office

Fundraising— Can you help? We have a few fundraising activities through the year and would love it if you could help to organise one. We are currently looking for somebody to co-ordinate the calendar art. Please contact Sue in the office if you can help us run this.

Lost Property—Our baskets are overflowing. If you can't find your child's jacket, sweatshirt, shoes, pants....come and have a look in the baskets. Named clothing will be reunited with its owner so please make sure you label all of your children's clothes.

BREADTAGS for wheelchairs

We are going to continue collecting bread tags this year - keeping them out of the landfill and funding wheelchairs for those in need. The office and all of the classes will have a collecting jar, so please keep them coming! Thank you for your efforts.

More info: Bread Tags for Wheelchairs has been established in South Africa for the past 13 years, with the NZ arm launching in February this year. The organisation is 100% run by volunteers, and further information can be found via the links at the end of this email.

There are now over 80 collection points throughout New Zealand where the public can drop off their bread tags. You can either choose to collect, and drop them off to your nearest collection point, or you may become a collection point for your community.

Register to play junior rugby in 2020!

At Wellington Football Club (Axemen Junior Rugby) we cater for all grades from nursery grade (3 and 4 year olds play for free!), through rippa rugby for children up to 9 years of age and tackle rugby for the older kids.

To register your child please email robgordon@windowslive.com or attend our Canes in Club Registration Day at Hataitai Park on March 25th from 5.30pm.

As a club we promote the values of structure on the field, hard work and fun in everything we do. We have exceptional coaches and are a tight-knit community club. In 2020 we turn 150, the oldest playing through club in New Zealand! We look forward to you joining our whanau.
