Kia ora koutou,

I hope your week has started well and that your children have enjoyed their week of learning so far.

We had a whole school assembly yesterday morning with a lens on our RIMU values of Resilience, Integrity, Manakitanga and Unity. In particular we reminded our learners of what these values look like around our school with a focus on the cleanliness of our toilet blocks, putting our rubbish in the right place and ensuring that we are seated when we are eating. Please feel free to discuss the above with your children at home, your support is appreciated.

Next week we have our student-led learning conferences. This is an opportunity for your children to share some of their goals and their learning. We would really like the students to drive this process with our teachers being there to provide support and prompts for when the students need them. Perhaps start having a think about the questions that you want to ask your children about their learning. I will be onsite during the interviews, please feel free to pop in and see me if you wish.

Also, earlier this week we sent out some updated photos of the refurbishment of the bottom block of classrooms on Facebook earlier in the week. This project is progressing along well and we are now starting to think about the classroom furniture and equipment that will best be suited for these spaces.

Finally, as you will be aware through my early communication today, we have moved back into Level 2 for the next three days. We know from experience what Alert Level 2 looks like for schools. The Prime Minister advised that in Alert Level 2, schools are safe environments for children, young people and staff, and that additional public health control measures are in place to prevent the spread of disease and to support contact tracing. Thank you for your continued support around COVID-19.

Enjoy the rest of your week.

Principal
