We had a lovely **pōwhiri** on Monday of this week to welcome our new students and their families as well as myself and Cherie Palmer to Hampton Hill School. This event was made

even more special by Wainuiomata Intermediate bringing several of their Kapa Haka students and their kaumātua to the event as they handed Cherie over to us. We were blessed with beautiful sunshine and lovely kai that we

all enjoyed. A big thank you to all of those who helped organise the powhiri and for all the members of the community that came along to welcome us.

I have thoroughly enjoyed my first week at Hampton Hill School. I have been walking the school grounds and discovering all the beautiful places and sights that we have including our bike track, bush walk, vegetable garden and climbing ropes to name a few. It has also been amazing to walk around the playground and to be greeted with so many "Hi Mr Knap's" from our learners. I am doing my best to learn all of their names!

I have also spent time visiting both teachers and students in their classes. When visiting I have put an emphasis on asking students about our values of Resilience, Integrity, Manaakitanga and Unity (RIMU). These values act as a compass for our students whilst they are at our school and following them will not only serve them well now but later in life. If possible, over the coming weeks be sure to ask your children about our school values and what they mean to them and how they show them on a daily basis.

Thank you again for such a lovely, warm welcome. I look forward to meeting more families over the coming weeks.

Stefan Knap Principal

From the Office

Rimu Street—Rimu Street is very short and narrow and three point turns to get out of Rimu Street can put the children walking up the footpath at risk. Please avoid using Rimu Street for drop offs and pick ups. This is super important on rainy days when visibility is poor.

'Tis the season to catch bugs— If you want to help your child avoid getting sick, remind them to always wash their hands before eating, after using the toilet and after blowing their nose. If your child has had a tummy bug, please keep them home for 48 hours after their last episode of vomiting or diarrhoea to make sure other children do not catch it from them.

Absence—Please call the office or use our school app, available from the App Store or Playstore if your child is going to be away and let us know the reason why. We appreciate you keeping children home who are unwell so others don't get sick and sick children can recover faster. If your child is going to be away for more than one day, please let us know in advance or call each day to let us know your child is still unwell.

Assembly Awards 3 July

Fundraising

Did you know that you can now get Entertainment Memberships which are valid for one year from the date of your purchase? Plus, you can also get multiple books for a discounted price! Every membership purchased earns Hampton Hill School \$14. Thank you for your support in this win/win venture—the school earns fundraising and you get discounts

Scholastic BOOKCLUB orders

There are 3 times this year that these cata-

logues will be coming home and you will be able to purchase books – Issue 2 was in March, Issue 4 was in July, and Issue 6 will be sent home in September. Parents will be able to order books through the school (with the catalogue) and also through the Parent Loop System on the scholastic bookclub website
